V. Conditions

Rules are in accordance with Enduro Sprint Regulations of Estonian cup. Starting procedures and timing are in accordance with Enduro Sprint Regulations.

Race track: Total distance of one lap is 21 km, including one enduro test (~ 1,5 km) and one cross test (~2 km). Lap includes one time check point (TCP).

Classes 1,2,3,4,5,8 are having 4 laps and classes 6,7,9,10,11 are having 3 laps.
In first lap the cross test is not for time. Endurotest is for time in the end of the 1st lap.

Participation fee:

Each rider must pay 35 EUR participation fee at the registration. Additional 10 EUR fee will be added to the competitors who have not been pre-registered.

Tests:

Tests locations are published in the 23.7. morning at the information board.

Fuelling: Fuelling is permitted only at the start/finish control point. It is mandatory to use carpet during fuelling and servicing the motorcycle.

VI. Awarding

The top three (3) of each class are awarded with Cups.
